

An ACP Journey. Many Paths. Every Step Supported.

An ACP Journey. Many Paths. Every Step Supported.

From important decisions to peace of mind, a connected pathway for you and your loved ones.

Michael
Age 68

Wants to make his wishes known, protect his family, and be prepared for the future.

A clearer path today gives peace of mind tomorrow.

1
My Care.
My Wishes.
My Voice.

Learn about Advance Care Planning and connect with someone who can help.

2
Making It Official:
My CA Directive

Complete a California Advance Healthcare Directive with appropriate guidance.

3
Preparing
My Healthcare
Agent

Help my trusted decision-maker understand my wishes and responsibilities.

4
Keeping
My Wishes
Accessible

Make sure my care team and trusted people can find my directive when it's needed.

5
My Will,
Trust &
Legacy

Plan for my family, finances, and the future.

6
Understanding
Palliative Care

Explore comfort, symptom relief, and support during serious illness.

7
Understanding
Hospice Care

Learn when hospice may be appropriate and what support it provides.

8
My Comfort
& Final
Wishes

Express preferences for care, dignity, and remembrance.

9
My Wishes.
Revisited.

Review my plans, update my wishes, and reflect on what I've learned.

Journey Evaluated

My progress shows what I've completed, where I may need more support, and how my plans have evolved.

We learn from my journey to make better support available for everyone who follows.
